

## Privacy Terms

This application respects and protects the privacy of the users. This Privacy Clause explains the manner in which we collect, use, and protect user information.

### Information collection and use

This application does not collect any personally identifiable information. We may collect some non-personally identifiable information such as device model, operating system version and application usage in order to improve application performance and functionality.

### Information sharing

We will not sell, rent or otherwise disclose user information to third parties. We may share some non-personally identifiable information with third-party partners, such as application usage and performance data, in order to improve application performance and functionality.

### Information safety

We have taken a series of measures to protect the security of user information. We use encryption technology to protect the transmission of user data, and take physical, electronic and administrative measures to protect user data security.

### Changes to the privacy policy

We reserve the right to update this Privacy Term. We will publish the updated privacy terms in this application and notify users in other appropriate ways.
